Are you sick, fable, and complaining? Are you cut of order, with your system deranged, and your helines on comfortable? These supports are often the problem of siekness is everying up on you, and should be averted by etimely use of the right remody. Take Ayer's 19th, and cleanse out the disordered limmors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous untity purify the system from the obstructions which trake

the obstructions which reals cliests. A cold settles somewhere in the body, and she structs its natural functions. These, if not relieved, react upon themselves and the surrounding or one, producing general aggravation, suffering, and disease. While in this condition oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system and with it the broyana feeling of health again. What is true and supparent in this trivial and common complaint, is also true in many of the daspasated and dangerous distempers. The same purgative effect expels them. Caused by similar distructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the sum amount. None who knew the virtues of these Pills, will needed to employ them when suffering from Pills, will needed to employ them when suffering from the disorders they care.

From a Forwarding Merchant of St. Louis, Etc. 1850. Dr. Aver: Your Pills are the paragon of all that is great in medicine. They have cared my little daughter of ulcerous sores upon her bands and first that had proved incurable for years. Her mether has been long grievously afflicted with blotches and pimples or her skin med in her hair. After our child was cared, she also tried your Pills, and they have cared her.

Your Pills are the prince of punces. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their section on the bowels, which makes them invaluable to us in the daily treatment of disease. Headache, SickHeadache, Foul Stomach. From Dr. Edward Boyd, B. Himore.

DEAR BRO. AYER: I cannot answer you what complaints
I have cured with your Pills better than to say all that we
ever treat with a purpative medicine. I place great depen-dence on an effectual cathartic in my daily centest with
disease, and believing as I do that your Pills afford us tha best we have, I of course value them highly. DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleans at once.

Bilious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City. From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. 5

Size: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D., Physician of the Marine Horpitel.

Dysentery, Diarrhea, Relax, Worms.

From Dr. J. G. Green, of Chicage.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small deses for bilious dysentery and diarrhaa. Their sugar-coating makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood. From Rev. J. V Himes, Paster of Advent Churc's, Boston.

Dr. Aver: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES. Warsaw, Wyoming Co., N. Y., Oct. 24, 1858,

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of cottieness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe confireness to originate in the liver, but your Pills affect that organ and cure the disease. organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the natural secretion when wholly or partially suppressed, and also very effectual to cleanse the stomach and expel worms.
